Greigs Buy Building and Store

A real estate transfer the first of this week of interest locally was the sale of the former Naimy block by Harold Chamberlin, who has owned the property the past nine years, to Norman I and June B Greig. The transaction includes the stock in trade of the store conducted by Mr Chamberlin in the building.

The Greigs plan to continue the store, installing a soda fountain, and discontinuing some of the lines carried by Mr Chamberlin. This place will be known as the Bethel Spa.

The building was built by Mitchell A Naimy 30 years ago, and for nearly 20 years he carried on a clothing and dry goods business there. The A. & P. store was located in the middle store for some 15 years until removing to their present location in 1936. At that time Mr Naimy doubled the size of his store to include the former A. & P. space and later sold to M Lahnson of Berlin. Since 1942 the Bethel post office has occupied the store quarters.

The upper store was in use by the UTK tailor shop, C L Seavey's bakery, Sherman Allen's market and other concerns, before John Rubino of Rumford opened a branch store there in December 1939. For the past eight years Mr Chamberlin has conducted a general store there.

Mr Chamberlin came here from Winthrop in 1933 when he succeeded David Feldman in a fruit store in the nearby wooden building. Mr and Mrs Chamberlin plan to return to their home in Winthrop.

SQUARE DANCE ASSOCIATION GROWING STEADILY

The Oxford County Square Dance Association was organized on January 22, 1950, by a small group of square and folk dance enthusiasts. It now has a membership of over 80 and is steadily growing. Its state officers for 1950 are as follows: president, Kenneth Palmer; West Peru; vice-president, Ollie Dudley, Bryant Pond; secretary, Lillian Abbott, East Sumner; treasurer, Verona Linnell, West Peru; Board of Executives—Forrest Hammond, West Sumner; Donald Lane, West Peru; Leslie Isten, Peru; Bill Welch, Dixfield; Malcolm Doyen, Livermore; Marie Picarelli, Farmington; Alfred Chesley, East Sumner; Mrs Earl Davis, Mexico.

Meetings are held monthly in various towns throughout Oxford County. These meetings consist of a full evening of dancing, with a brief business session at intermission. On alternate months, we have a well-known "outside" caller, who takes over the evening's program. At other meetings, dancing is free to members. Others are charged a small admission. At these dances, anyone interested in calling dances is urged to try and given instruction. Membership is open to any person over 12 years of age, procured by contacting the secretary.

This Association came into being largely through the efforts of Alice Dudley, Bryant Pond. She is our local "well-known" caller, is affiliated with Folk Dance Camp at Kears Lake, and secures outside callers for us. The next meeting will be held at West Paris Gymnasium, with Joe Perkins of Topsham, Mass., as caller. Everyone is welcome to attend this dance, admission is 50¢ for members, and 75¢ for non-members. —Lillian Abbott, secretary.

ACADEMIES HOLDING JOINT CONCERT HERE SUNDAY

On Sunday evening, May 14, at seven o'clock, students from Bridgton, Fryeburg and Gould Academies will give a joint concert in the William Bingham Gymnasium.

Sixty students selected from the three schools will sing together the following numbers: Salute to the Flag, Malotte; It's a Grand Night for Singing, Rogers; May Day Carol, Deems Taylor; Vesper Hymn, Russian Air; God of Our Fathers, Fred Waring arrangement.

In addition each will present two numbers, either instrumental or vocal.

Gould Academy will be represented in a flute and clarinet duet, played by Eileen Linnell and David Payor and a boys chorus singing "Kentucky Babe," by Gelbel and "Away to Rio" an old sea chanty.

On Wednesday evening May 17 the same concert will be given in Bridgton and again on Wednesday afternoon, May 24, at Fryeburg.

34 YEARS AGO TODAY

On May 11, 1916, sparks from a bonfire at West Bethel ignited the "beehive" building nearby which burned to the ground. A high wind carried embers a quarter of a mile and started a woods fire which finally burned out on the slopes of the Grover Hill region late that afternoon. Bethel village appeared to be threatened and firemen from other towns were on hand. The work of many volunteers was without avail in the wind and valuable timberland was damaged.

AMERICAN LEGION AUXILIARY

The Mundt-Allen Unit, American Legion Auxiliary met at the Legion Rooms, May 9.
The following were elected: president, Mrs John Compass; vice-president, Mrs Raymond Dexter; second vice-president, Mrs Earl Cummings; secretary, Mrs Errol Cummings; treasurer, Mrs Chester Chapman; Historian, Mrs A. Daniel Fortes; chaplain, Mrs P. Irvin French; Sergeant-at-Arms, Mrs Roy Bennett. Installation will be held at the next meeting, May 23. Legionnaires are invited for refreshments.

Legionnaires appointed to attend the American Legion Convention in June are: Mrs John Compass, Mrs Errol Cummings, Mrs Frances Bennett. Selected as alternates were: Mrs Wilfred Baker, Mrs Raymond Dexter, Mrs John Grover.

Mrs Raymond Dexter reported on the trip to Togus on April 30. It was voted to hold a Food Sale at the American Legion Rooms from 2 to 5 P. M., May 20. Committee in charge is as follows: Mrs John Compass, Mrs Roy Bennett, Mrs Raymond Dexter.

It was voted to help the Legion with fireworks.
After the meeting Mother's Day was observed by readings by members.

PERCY O. BRINCK

The many friends of Percy Brinck were shocked Friday to hear of his death. Although he had been in failing health for several years, he and Mrs Brinck had celebrated their golden wedding the previous Sunday at a family dinner party here.

Mr Brinck's death occurred at the CMG Hospital, Lewiston, where he had been taken from his home at West Paris the day before.

He was born at Harriestown, N. Y., April 13, 1882, the son of Reuben and Ella Myers Brinck. He was for many years a resident of Newry and Bethel, and lived at South Paris before moving to West Paris. For a long time he was employed in saw mills.

Mr Brinck was a member of Mount Abram Lodge, IOOF, Bethel; Onward Rebekah Lodge and Molly Ockett Encampment, IOOF, West Paris; Bear River Grange, Newry; Norway Choral Society and Norway Second Congregational Church.

Besides his wife, the former Annetta Nickerson, he is survived by three daughters, Mrs Ferol Godwin of Bethel, Mrs Madeline Dudley of West Paris, and Mrs Kathryn Lewis of Springfield, Mass.; three grandchildren; two brothers, Walter of Bethel and Arthur of Portland; and two sisters, Mrs Besie Parker of Livermore Falls, and Mrs Ethel Parker of Crystal, N. H.

Funeral services were held from the Huff funeral home, South Paris, Sunday afternoon, the Rev J Nesbitt Lello officiating. Burial was in the Norway Pine Grove Cemetery.

In Mr Lello's tribute he said that Mr Brinck had a way of making friends and keeping them, and what is more, he cherished the friendships he made. His philosophy of life was in serving, not in being served. He always thought of others. He was more concerned with what he could do for other people than with what he could do for himself. Mr Lello quoted Everett Jack Appleton's "Visions":
To meet whatever comes with
Faith rock-founded
Upheld by it, to question not thy
plan;

To know our dear ones by thy love
surrounded,
Are near us now to help us play
the man;

To humbly walk with him, as children
thronging
The heavenly spaces radiant with
peace;

To realize the selfishness of being
ing
To have our burdens lifted first
to ease

Asking, with tears the reason for
your ending
Tears for us that are on hard to
bear,

To grieve yet not to live with
grief lingering,
But hold their hand and onward
onward fare,

To stay uncharitable thoughts, to
waken
True gratitude for what we have;
and then

To learn to wait with steadfast
trust unshaken
God give vision and new
strength Amen.

HAA TO HOLD ANOTHER
MEETING MONDAY EVENING

All interested persons are asked to be present at the next meeting of the Bethel Athletic Association to be held Monday evening at 7 o'clock in the American Legion Rooms.

It is hoped that a formal practice session for the Association team may be scheduled for sometime next week at Thurston Field.

FINAL PTA MEETING TO BE NEXT TUESDAY EVENING

The final meeting of the year of the PTA will be held at the Thurston School Tuesday evening at 8 p. m. There will be an election of officers for the coming year and an open discussion of plans for the new year. It is hoped that a good number will be present to express their views on what type of organization and meetings they prefer.

Other features of the evening will be a brief report from the recent State PTA meeting and a stylized dress review by members of the 4-H Club.

Refreshments will be served by the entertainment committee.

Mrs Robert Lucas, the new girl scout leader was present and will take over the troop in June. Members on the troop committee elected for the ensuing year include Mrs Raymond Dexter, chairman; Mrs Walter Jodrey, Mrs Ruth Conner and Mrs Francis Noyes.

GOULD WINS OVER NORWAY, 8-4

Behind the seven hit pitching of Clint Mason, the Improved Husky ball club crashed the win column at Norway last Friday to the tune of 8 to 4. The defensive play of the winners was much improved as they finished the nine innings with only two errors to Norway's three. Marshall and Boyd led the attack with two hits each while Chase came through with a pinch hit single that drove in a run and he later scored for the second run of the inning.

Robinson, Norway pitcher, was the leading hitter of the day with three, while left fielder Allen produced two safe hits. Brown, Norway third baseman was hit on the head by a pitched ball but recovered quickly to be able to finish the game.

GOULD PLAYS PARIS AT HOME SATURDAY

On Saturday at 1:45 Gould will meet the South Paris Cardinals in a return engagement. The Paris nine won the first contest 3 to 2 and Coach Bowhay is working hard with his squad to get them in shape to even the count with their Oxford County rivals. Snow, visiting catcher, held the Huskies to one hit on their previous meeting so the local boys must sharpen up their batting eyes if they hope to win.

YON ELDREDGE BACK IN MINSTREL SHOW

WOODSTOCK HIGH

—Josephine St. John, Correspondent—

Student Council meeting, Monday, May 1. Orene Whitman was appointed the new Secretary. It was voted that each year the Junior Class will receive the candy, if they want it. It was also voted that the Juniors would sell refreshments at the Fireman's Ball, Friday, May 5.

The Juniors asked and received permission to have a Junior Prom. The following Student Council members were appointed as a committee to set up the requirements for the Citizenship Award to be given this year for the first time: John Hathaway, Orene Whitman, and Phyllis Hathaway.

It was decided to continue our membership in the HIGH SPOT.

A record is to be purchased each week for our new record player for use during the noon hour and at Class Socials.

Friday, April 28, found the team with Oxford and Woodstock a scoring success with a score of 22 to 1. Basil Greene hit a homer with the bases loaded in the first inning.

Friday, April 28, found the team with Oxford and Woodstock a scoring success with a score of 22 to 1. Basil Greene hit a homer with the bases loaded in the first inning.

Oxford 000 000 1-1

It was decided to continue our membership in the HIGH SPOT.

A record is to be purchased each week for our new record player for use during the noon hour and at Class Socials.

The Juniors asked and received permission to have a Junior Prom. The following Student Council members were appointed as a committee to set up the requirements for the Citizenship Award to be given this year for the first time: John Hathaway, Orene Whitman, and Phyllis Hathaway.

It was voted that each year the Junior Class will receive the candy, if they want it. It was also voted that the Juniors would sell refreshments at the Fireman's Ball, Friday, May 5.

W. S. C. S. TO HOLD SUPPER MAY 25

A meeting of the Woman's Society of Christian Service was held last Thursday afternoon at the home of Mrs. Fred Wheeler with 18 present.

The devotional service was led by Mrs. Fannie Carter, followed by an interesting article about Hiroshima read by Mrs. Sherman Greenleaf.

It was announced that the annual summer school for the W. S. C. S. will be held at the Methodist Camp, July 10-22, and members were urged to attend if possible. Members were asked to donate costume material which they may have on hand, to be used by the Sunday school, when they present a current list of June to take money to send young people to summer camp.

The organization committee reported and the following officers were elected for the year: President, Mrs. L. E. Emmons; second vice president, Mrs. Clayton F. Smith; secretary, Mrs. Richard H. Smith; treasurer, Mrs. Norman Hall.

It was voted to have a public supper at the church on May 25, with committees as follows: Supper chairman, Mrs. Philip Brooks; Mrs. Hugh Thorton; Mrs. Jean Emmons; Mrs. Leola Fournier; Mrs. Fannie Carter; Mrs. Earl Evans; Mrs. Norman Hall; Mrs. Sherman Greenleaf; and Mrs. Clayton Fournier.

It was voted to extend an invitation to the Portland District W. S. C. S. to hold its meeting in Bethel next fall.

The next meeting will be held June 1 at the home of Mrs. Donahue. Mrs. Perry Leppan will read the devotion and Mrs. Fannie Carter will arrange the program. Annual reports will be given at that time.

The next time offering barrels were opened and nearly \$17 was received to be used by the organization committee.

VETS CHILDREN BENEFIT FROM POPPY DAYS FUNDS

The Poppy Day everyone is invited to have an opportunity to show that they remember and honor those who sacrificed their lives that we might live in freedom, said Mrs. Margaret Baker, president of the Bethel Auxiliary Unit of the American Legion.

Auxiliary members will be on the streets all day Saturday, May 27 offering poppies to be worn in honor of the War's dead and requesting contributions for the welfare of the War's living victims, the disabled veterans and needy children of veterans.

The dollar quarters and dollars which people contribute in exchange for their material poppies form the backbone of the financial support for the extensive activities carried out constantly by the Auxiliary for the welfare of the disabled veterans. Mrs. Baker said "If it were not for the generosity of the millions of people who wear

THE AMERICAN WAY

Mass Production by George Peck

Mass production, developed to a high degree under our American System of Free, Competitive Enterprise, is responsible for the high standard of living which we Americans enjoy a standard which is any ever enjoyed by any other people, at any time, anywhere.

But, if our American Government had had its way, there is serious doubt that mass production would have progressed to the point where it has reached today. History records that instead of encouraging the individual who invented the process of using machinery to manufacture machinery, the authorities at Washington went to great lengths to discourage him—just one more example of governmental ineptness. Here briefly are the details:

A few years after our War of Independence, Europe was in a state of turbulence due to the French Revolution. Our own people were threatened. Our Government, alarmed, but finally, awoke to the realization of its unpreparedness to defend this country should the war spread here. It contracted with Mr. Whitney, a Yankee machinist, who was just coming into prominence for his invention of the cotton gin, to make ten thousand muskets to be delivered within two years.

Whitney had a firearms factory in Connecticut. He started on his contract in a manner that constituted the weirdest that was a bit "barmy." The stupid fellow made the little red poppy each year in memory of the war dead, the many services of the Auxiliary to the living victims of the two wars could not be carried out.

Poppy Day contributions are used to bring comfort and cheer to disabled veterans in the hospitals. They provide aid for disabled men of the hospitals, who are having difficulties in reestablishing themselves economically. They help care for the children of disabled veterans, while the veterans are undergoing hospital treatment. They pay the wages which mean so much to the veterans who make the poppies.

"The coin dropped into the collection box of an Auxiliary volunteer on Poppy Day works for the disabled veterans throughout the year."

BROCKWAY TRUCK OF CO. 31 & SHACKFORD as tractor attempted to remove it from Peabody River, West Bethel, Friday. Disabled near the Peabody River in Bethel that morning the loaded truck was being towed toward Bethel by the wrecker from Bennett's Garage. Descending the hill west of Hazen Lowell's the brakes of the truck failed to hold and the truck crowded the wrecker through the guard fence and down the steep embankment, after which both came to a stop in the river. The wrecker was completely submerged except two wheels and its driver, Everett Chase, was fortunate in receiving only slight injuries and being able to come to the surface. The truck driver, Martin Reed of Cumberland Center, was unhurt as the truck remained upright in the water; although there was about three feet of water in the cab.

didn't start making muskets. Instead, he set about building a series of strange machines, none of which had any apparent relation to the musket.

A year passed and Whitney had not turned out a single gun. To the reasoning bureaucratic mind, it was quite obvious that if he could not produce one gun within the first year of his contract, he couldn't be expected to deliver ten thousand guns by the end of the second year. Criticism and complaint reached his ears, but he calmly went ahead building his strange machines. Whitney had other virtues in addition to his inventive genius, among them, patience, courage and conviction.

Among three odd machines with which Whitney apparently was wasting his time was one to bore out the barrels, another to form the stocks and various others to make all kinds of parts. Then one day, when he was threatened with losing his contract for failure to perform, Whitney filled a bag with miscellaneous musket parts and hid himself to Washington to confront the bureaucrats. Dumping the contents of the bag on a long table, he told his critics that there were the parts for ten muskets. They were invited to fit the parts together for ten complete muskets.

And what do you know? Surprise! Surprise! Ten excellent muskets evolved. Whitney had invented the process of using machinery to manufacture machinery; turned out from the precision operation of his strange machines, the parts were interchangeable.

These parts could be made at almost incredible speed, and very little highly skilled labor was required. In short, Eli Whitney had invented the revolutionary process of mass manufacture.

Whitney had accomplished this in the face of sharpest criticism from Government quarters. But seeing as believing in fairness it must be recounted that the Government's contract didn't take Whitney's contract away from him. That perhaps was as much as Government could reasonably be expected to contribute to the greatest single advance ever achieved in industrial processes.

The Government got its ten thousand muskets ahead of schedule.

Maine has nearly 22,000 miles of public highway, more than any other New England state and more than double the mileage of any other state of the region. Its road mileage is only a few thousand miles less than the distance around the earth.

MAINE PUBLICITY BUREAU TO OPERATE INFORMATION CENTER AT FRYEBURG

A new Western Maine Information Center, to be operated by the Maine Publicity Bureau, will be established this year on Route 202 near the Maine - New Hampshire boundary, Asa O. Pike, 3rd, of Fryeburg, chairman of a Building Fund Committee for the project, announced this week.

The new information center will be a full-fledged Publicity Bureau operation to promote business and service inquiries for Western Maine establishments.

The log cabin information now located at the Kittery Junction of U. S. Route One and the Maine Turnpike, will be moved to the new site for permanent installation. The special non-recurring building fund is being set up to defray the cost of moving, installing plumbing, driveway and landscape work and other details. The building itself is being donated by the Maine Development Commission.

Other members of the Building Fund Committee are Clarence Millett, Bridgton; Chester L. Burnham, Naples; Sherman K. Crockett, Casco; Gardner H. Hayden, Raymond; L. C. Andrew, Windham; Eckley R. Stearns, Lovell; Ruel O. Moulton, Sweden; R. L. Dudley, Stonington; P. H. Chadbourn, Bethel; Fred M. Walker, Brownfield; Roland H. Cobb, Denmark; Edgar F. Padden, Hiram; Harold N. GOULD TOPS FRYEBURG IN LOOSELY PLAYED GAME, 11-8

Behind 7-2 in the first of the third Gould staged a five-run rally in the fourth inning and went on to win, 11-8. Marshall got two hits but he managed to score four runs to lead on the offense. The visitors played loose ball with six errors, besides some errors in judgement. The losers out hit Gould ten to nine but Mason pitched well in the places. The victory brought Gould up on even terms with two wins against two losses.

ELEANOR GORDON GUILD TO SPONSOR CHILD HEALTH CONFERENCES

The regular monthly Child Health Conferences will be started this month.

The first will be held on May 18 at the Methodist Church at 9 a. m. with a local doctor in attendance assisted by the Bureau of Health Nurse.

The Eleanor Gordon Guild will sponsor the conferences again this year.

Last year the total attendance at the conferences was 188. Sixty received complete immunization. It is urged that those who have not been checked this year return for a physical examination.

Those who did not complete their immunizations will be invited this year in order that they may have the opportunity to do so.

Mrs. Stanley Brown may be contacted for further information.

This Time The Anti-Trust Lawyers Won A Case Against A&P

As almost everyone now knows, the anti-trust lawyers in Washington have brought a civil suit to destroy A&P. They ask the courts to order the dissolution of this company.

They say that this suit is based on the fact that they won a suit against us at Danville, Illinois, in 1946.

They did. In that case, Federal Judge Walter C. Lindley made a decision against A&P.

Immediately thereafter, in a letter explaining his decision, Judge Lindley wrote:

***"I have not condemned the A&P system.
I have not made a finding which could
be the basis for a suit of dissolution."***

So, now we have the anti-trust lawyers saying that their suit to dissolve A&P is based on Judge Lindley's decision, while Judge Lindley himself says his decision could not be the basis for a suit of dissolution.

In previous ads we told you about the cases against A&P which the anti-trust lawyers lost. We promised to tell you about this case they won. Here is the story of the Danville case.

What Judge Lindley Objected To

At Danville, the anti-trust lawyers made all of the charges which they are again making against A&P today. They were substantially the same charges they had made and dropped at Dallas, Texas, after four federal judges had objected to some of them as "inflammatory."

In his decision, Judge Lindley was critical of some of our activities. He threw some of the charges out of court. He did not make any decision on others.

He even took occasion to praise A&P for the efficient job of food distribution it had done.

Judge Lindley said:

"To buy, sell and distribute to a substantial portion of 130,000,000 people, one and three-quarter billion dollars worth of food annually at a profit of 1 1/2 cents on each dollar, is an achievement one may well be proud of."

"No place in the world I take it are people so well fed as in the United States. Nowhere else, I suppose, do food distributors accomplish efficient distribution at so low a margin of profit. In contrast, we are told in other nations the problem is not one of an adequate diet but one of no diet at all."

But Judge Lindley did find us in violation of the Sherman Act. He based his ruling on the dual role played by our fresh fruit and vegetable buying subsidiary, the Atlantic Commission Company, whereby that organization acted both as buying agent for A&P and as selling agent for growers.

Judge Lindley said:

"If I assume for the purpose of disposition of this case that in general the policy of A&P was to operate within the law and attribute to defendants a desire to comply with the law, there still remains the conscious, knowing adoption by all defendants of a plan of action by the Atlantic Commission Company affecting every department of A&P and every retail store which cannot be squared with the intent and purpose of the act."

In his letter explaining the decision, Judge Lindley wrote: *"I have condemned their practices through the Atlantic Commission Company."*

Judge Lindley imposed fines totaling \$175,000. When his decision was upheld by the Circuit Court of Appeals in Chicago, we paid the fines. This ended the case—but we did not stop there.

What We Did To Correct This

In the light of the decision, we immediately set about reviewing our activities to be sure that there could never again be any criticism of our operations.

First, the Atlantic Commission Company abandoned the dual role to which Judge Lindley objected and which he said was the basis of his decision against us.

We did this even though the Atlantic Commission Company had been licensed for many years by the United States Department of Agriculture to act as both a buyer and seller of fresh fruits and vegetables.

The Atlantic Commission Company now only buys for A&P. In other words, we stopped doing the thing which Judge Lindley said put us in violation of the Sherman Act.

We made additional changes in other methods of operation which Judge Lindley had questioned at Danville, even though he did not base his decision on them.

We did even more than this!

We went down to Washington and asked the anti-trust lawyers what else they thought we should do to conform to their new interpretation of the vague anti-trust laws.

The only answer we ever got was that we should break up this company!

Despite their claim that they were not opposed to A&P's size, they insisted that we destroy this size.

Despite their claim that they were not opposed to our manufacturing operations, they insisted that we get rid of our factories which produce many of the fine foods you buy at A&P.

Despite their claim that they were not opposed to our low prices, they insisted that we destroy many of the efficiencies that make these low prices possible.

In other words, they insisted upon the dissolution of A&P.

We were still trying to find out from the anti-trust lawyers what else they thought we should do to conform to the law when they filed the current suit to destroy A&P.

Why, Then, Do They Want To Put A&P Out Of Business?

Ever since this suit was filed, the anti-trust lawyers have been making damaging statements that could seriously hurt our business if they were believed by the public.

They say that we were found guilty at Danville of all the charges they are making today.

This is not true. Judge Lindley did not sustain all of the charges of the anti-trust lawyers.

They say this suit is designed to enforce the law.

But A&P has clearly demonstrated its sincere desire to abide by the spirit, as well as the letter of the law.

They say they are seeking to "enjoin" A&P from engaging in certain "alleged" practices.

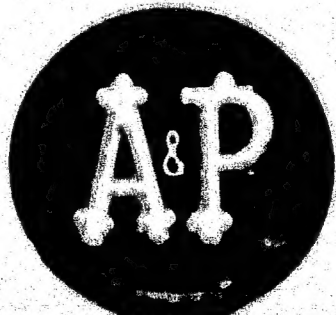

Actually, the whole purpose of this suit is not to "enjoin" us, but to put us out of business.

They say that this suit for dissolution is based on the decision handed down by Judge Lindley in Danville.

But Judge Lindley has said of his decision: *"I have not made a finding which could be the basis for a suit of dissolution."*

What, then, is the real reason why the anti-trust lawyers want to destroy this company, which for 90 years has pioneered the methods of distribution which have given the American people more good food for their money?

REV. ROBERT H. HARPER
Church Organization and Leadership
Apt 6: 1-6, 20: 17-18, 28; 1st Cor.
Inhabitant 12: 27-28
Memory Selection: II Timothy 2: 15

THE PRESENT LESSON shows the origin of church organization and leadership, a matter that Jesus left to the disciples. Seven deacons were chosen (Acts 6: 1-6) to have charge of the temporal needs of the people. The high character required of them should be considered by present-day churches. Too often those who are not spiritual men are chosen because they are successful in their own business, or because of their prominence in the community.

Elders and bishops are mentioned (Acts 20: 17-18, 28), and it appears that they were the same. They were charged "to feed the church of the Lord." They were superior to deacons and their work was primarily spiritual.

Divergence of opinion as to the foregoing has brought about the several types of churches. Some hold to the presbytery, group of elders or presbyters. In the government of the church Others are organized about bishops. Some regard the elder as the highest order in the church. Some regard a bishop as an elder elected to high office, but not to a superior order of the ministry. Still others regard the bishop a separate order. Let us realize that, in any kind of church organization, there is ample room for the service of men of diverse gifts, who make up the "body of Christ," in the kingdom of God.

TRACK TEAM TO BATES

RELAYS

With two track meets and a practice meet with Bridgton Academy for a background, the Gould track team will be preparing next week for entry into the annual Bates Relays. The squad will leave Saturday morning with Coach Joe Roderick and Field coach Bob Scott. Minus their stars of the past few years, they have a tough job cut out for them.
